Chair Brusini opened the Public Hearing.

Susan Bobbitt-Voth gave an overview of updates to the application since her last appearance before the Board. She and her husband, Richard Voth, showed a PowerPoint presentation.

Abutters Alec Iby (179 Hio Ridge Rd), Matt Wood (380 Hio Ridge Rd), Brian and Susan Murphy (372 Hio Ridge Rd), Kristen Murphy (Buswell Rd), and Denise Eldridge (341 Hio Ridge Rd) spoke in opposition of the project. Concerns discussed included potential changes to the rural neighborhood atmosphere of the area, traffic, noise, safety, and enforceability of conditions.

Richard Voth offered responses to the neighbors' concerns. He stated that he and his wife will be present for events and will be monitoring all these concerns.

Rolf Madsen discussed with the Board about the Boards ability to restrict alcohol. He also asked the applicant for specific examples on how the noise limits will be enforced by the applicants and expressed that he is concerned about the increase in traffic.

Evan Jones, representing the Voth's, stated that the towns ordinance has limits that can be enforced.

Cathy DiPietro asked if the drafted contract has been passed by legal counsel yet. The Voth's responded that it has not been reviewed by legal counsel yet, but once they have finalized the contract, they will clear it with an attorney.

Dan Harden asked Code Enforcement Officer, Brenda Day, if the Voth's are allowed to have 2 driveway cuts. Ms. Day stated that it is often discouraged but is allowed.

Chair Brusini asked the applicants why Sundays were selected as being a time for a wedding rather than a Saturday. Mr. Voth explained that this is due to religious practices of himself and Mrs. Bobbitt-Voth.
